Experience complete food satisfaction!

Catering is our gastronomic activity since 2013 and we are proud of very successful results and high customer satisfaction. We serve food and drink for various social or entertainment events, depending on the wishes of our customers.

Each catering service has a "story to tell" and because of our personalised approach to each of our customers we can realize your ideas into your satisfaction.

In the rich dish offer everyone will find what suits him most. In the colorful offer we will outline: finger food, cold buffet, warm buffet, cold warm buffet, coffee break.

Experienced staff, creativity and gastronomic imagination, the application of the HACCP system, high technical equipment, attention to detail, reference list of satisfied customers and reasonable prices - are all reliable grounds to give us your trust.

Thank you in advance for choosing our services and for your trust. We recommend you to book our services as early as possible.
